## COMMANDER'S MESSAGE

Mike Vivenzio

From the New Commander:

Greeting Comrades,

I would like to take this opportunity to express my heartfelt sorrow for the unexpected passing our beloved Commander Steve Weber; he will truly be missed.

For those that may be wondering what will become of our Post, I would like to reassure you that our post is in good hands, and we are working diligently to continue and build upon what our past commanders have accomplished. Moving forward we will be focusing on the following:

Membership. Membership is the key to our continued success. Without membership strength, our voices will be weak. We need to be at least 500 hundred strong by 2026.

Finding a more suitable home for our Post to get back to serious business and growth.

Training new and upcoming leaders to take on the roles necessary for continued growth and success.

Lastly, to continue to cultivate an environment of respect and cooperation across the entire legion family; the Legion, Women's Auxiliary, the Sons of the American Legion and the American Legion Riders; simply put, 1 cohesive family!

We hold our monthly meetings at the Eagles Aerie in South Oxnard on the 3<sup>rd</sup> Thursday of each month at 6 pm. We would love to see our meeting overflowing with members.

If you have questions or concerns, please feel free to contact me by email at: [cdr\\_oxnard48@yahoo.com](mailto:cdr_oxnard48@yahoo.com) or call me at (805) 797-0872.

**LADIES AUXILIARY**

**ROSEMARY WEBER**

I would like to thank all of our members who have renewed every year, to help support our American Legion Family at Post 48. Even though we do not have a building of our own, we still manage to meet every month for meetings, communicate with our members, and officers, keep active in our community, and support our programs for our veterans and their families. We would love to have more of our members get involved, if you can.

Recently, we helped our sister Auxiliary at Camarillo post 741 host a Baby Shower for our active duty military wives. They had food and games, and all the expecting mothers so many great items for their future little ones. We are so proud and happy to be able to share this event with our military.

We just completed the first phase of our Girls State program. We have picked 4 amazing high school juniors from 4 of our high schools, and they are getting prepared to spend a very fun and educational week in Sacramento in June. This program would not be possible without the hard work and time of our ladies, who had to go the to interview over 20 juniors to only pick 4. Thanks to all of our generous supporters for their donations, and financial support, in order for this program to be possible every year.

May is Poppy Month! We will be sending our annual Poppy Letter to all of our Post families. Hoping that, when you receive it, you and your family will wear the Poppies proudly, in showing your support in honoring our Veterans for their unselfish service to our country.

Rosemary Weber

American Legion, Oxnard Post 48 President

Boys & Girls State

Rick Gutierrez

During the month of February and March of this year members of our post, conducted two interviews at Channel Island, and Pacifica high schools, seeking out delegates to represent our post to attend the 2024 boys and girls state program.

After conducting the interview panel we are pleased to identify the selected two delegates from Channel Island High School, and two from Pacifica High School that proudly represented Post 48 at the California Boys and Girls State Program in Sacramento.

Last Year (2023) our post was able to get a booth at the Point Mugu Air Show. Of course, it is now called **Naval Base Ventura County**. It was a wonderful opportunity (our only opportunity) to make some money for our Post.

We had a good turnout from all of our entities; Legion, Auxiliary, Riders, and Sons. We hope that we will be that lucky again once it returns.

We are also pursuing possibilities to get a booth at this years Strawberry Festival.
